WHAT IS IT?

If you’ve yet to visit our river-side taproom in Riegelsville, PA, we invite you to come on out! This space has a completely different vibe from our home-base in Bethlehem, PA with scenic outdoor seating, a full café menu, and it’s where we do our coffee roasting! We have a 5-head Lukr draft tower and offer the same food + drink menus, with a few added perks.

On this night, we’ll have live music + food, beer, slushy, coffee, and cocktail specials!
